SEC. 202. APPROVAL OF BUDGETS.

(a) Reasonable Schedule for Development of Budgets.—As soon as practicable after at least 4 members have been appointed to the Oversight Board in the fiscal year in which the Oversight Board is established, and in each fiscal year thereafter during which the Oversight Board is in operation, the Oversight Board shall deliver a notice to the Governor and the Legislature providing a schedule for developing, submitting, approving, and certifying Budgets for a period of fiscal years as determined by the Oversight Board in its sole discretion but in any case a period of not less than one fiscal year following the fiscal year in which the notice is delivered. (e) Certification of Budgets.—

(1) Certification of Developed and Approved Territory Budgets.—If the Governor and the Legislature develop and approve a Territory Budget that is a compliant budget by the day before the first day of the fiscal year for which the Territory Budget is being developed and in accordance with the process established under subsections (c) and (d), the Oversight Board shall issue a compliance certification to the Governor and the Legislature for such Territory Budget.

of a Territory Budget, the Governor, the Legislature, and
the Oversight Board, or in the case of an Instrumentality
Budget, the Governor and the Oversight Board, jointly de-
velop such Budget for the fiscal year that meets the re-
quirements under this section, and that the relevant par-
ties certify reflects a consensus among them, then such
Budget shall serve as the Budget for the territory or terri-
torial instrumentality for that fiscal year.

SEC. 203. EFFECT OF FINDING OF NONCOMPLIANCE WITH
BUDGET.

(a) SUBMISSION OF REPORTS.—Not later than 15
days after the last day of each quarter of a fiscal year
(beginning with the fiscal year determined by the Oversight Board), the Governor shall submit to the Oversight Board a report, in such form as the Oversight Board may require, describing—

(1) the actual cash revenues, cash expenditures, and cash flows of the territorial government for the preceding quarter, as compared to the projected revenues, expenditures, and cash flows contained in the certified Budget for such preceding quarter; and

(2) any other information requested by the Oversight Board, which may include a balance sheet or a requirement that the Governor provide information for each covered territorial instrumentality separately.

(b) INITIAL ACTION BY OVERSIGHT BOARD.—

(1) IN GENERAL.—If the Oversight Board determines, based on reports submitted by the Governor under subsection (a), independent audits, or such other information as the Oversight Board may obtain, that the actual quarterly revenues, expenditures, or cash flows of the territorial government are not consistent with the projected revenues, expenditures, or cash flows set forth in the certified Budget for such quarter, the Oversight Board shall—
(A) require the territorial government to
provide such additional information as the
Oversight Board determines to be necessary to
explain the inconsistency; and

(B) if the additional information provided
under subparagraph (A) does not provide an ex-
planation for the inconsistency that the Over-
sight Board finds reasonable and appropriate,
advise the territorial government to correct the
inconsistency by implementing remedial action.

(2) DEADLINES.—The Oversight Board shall
establish the deadlines by which the territorial gov-
ernment shall meet the requirements of subpara-
graphs (A) and (B) of paragraph (1).

(c) CERTIFICATION OF VARIANCE.—

(1) VARIANCE.—If the territorial government
fails to provide additional information under sub-
section (b)(1)(A), or fails to correct a variance under
subsection (b)(1)(B), prior to the applicable deadline
under subsection (b)(2), the Oversight Board shall
certify to the President, the House of Representa-

Committee on Energy and Natural Resources, the
Governor, and the Legislature that the territorial
government is at variance with the applicable cer-
tified Budget, and shall describe the nature and amount of the variance.

(2) CORRECTION OF VARIANCE.—If the Oversight Board determines that the territorial government has initiated such measures as the Oversight Board considers sufficient to correct a variance certified under paragraph (1), the Oversight Board shall certify the correction to the President, the House of Representatives Committee on Natural Resources, the Senate Committee on Energy and Natural Resources, the Governor, and the Legislature.

(d) BUDGET REDUCTIONS BY OVERSIGHT BOARD.—If the Oversight Board determines that the Governor, in the case of any then-applicable certified Instrumentality Budgets, and the Governor and the Legislature, in the case of the then-applicable certified Territory Budget, have failed to correct a variance identified by the Oversight Board under subsection (c), the Oversight Board shall—

(1) with respect to the territorial government, other than covered territorial instrumentalities, make appropriate reductions in nondebt expenditures to ensure that the actual quarterly revenues and expenditures for the territorial government are in compliance with the applicable certified Territory
Budget or, in the case of the fiscal year in which the Oversight Board is established, the budget adopted by the Governor and the Legislature; and

(2) with respect to covered territorial instrumentalities at the sole discretion of the Oversight Board—

(A) make reductions in nondebt expenditures to ensure that the actual quarterly revenues and expenses for the covered territorial instrumentality are in compliance with the applicable certified Budget or, in the case of the fiscal year in which the Oversight Board is established, the budget adopted by the Governor and the Legislature or the covered territorial instrumentality, as applicable; or

(B)(i) institute automatic hiring freezes at the covered territorial instrumentality; and

(ii) prohibit the covered territorial instrumentality from entering into any contract in excess of $100,000, or engaging in any financial or other transactions, unless the contract or transaction was previously approved by the Oversight Board.

(c) TERMINATION OF BUDGET REDUCTIONS.—The Oversight Board shall cancel the reductions under sub-
section (d) if the Oversight Board determines that the ter-
ri torial government or covered territorial instrumentality,
as applicable, has initiated appropriate measures to reduce
expenditures or increase revenues to ensure that the terri-
torial government or covered territorial instrumentality is
in compliance with the applicable certified Budget or, in
the case of the fiscal year in which the Oversight Board
is established, the budget adopted by the Governor and
the Legislature.

WITH FISCAL PLAN.

(a) Submission of Legislative Acts to Over-
sight Board.—

(1) Submission of acts.—Except to the ex-

in its bylaws, rules, and procedures, not later than
7 business days after a territorial government duly
enacts any law during any fiscal year in which the
Oversight Board is in operation, the Governor shall
submit the law to the Oversight Board.

(2) Cost estimate; certification of com-
pliance or noncompliance.—The Governor shall
include with each law submitted to the Oversight
Board under paragraph (1) the following:
(A) A formal estimate prepared by an appropriate entity of the territorial government with expertise in budgets and financial management of the impact, if any, that the law will have on expenditures and revenues.

(B) If the appropriate entity described in subparagraph (A) finds that the law is not significantly inconsistent with the Fiscal Plan for the fiscal year, it shall issue a certification of such finding.

(C) If the appropriate entity described in subparagraph (A) finds that the law is significantly inconsistent with the Fiscal Plan for the fiscal year, it shall issue a certification of such finding, together with the entity’s reasons for such finding.

(3) NOTIFICATION.—The Oversight Board shall send a notification to the Governor and the Legislature if—

(B) the Governor submits a law to the Oversight Board under this subsection that is
not accompanied by either a certification described in paragraph (2)(B) or (2)(C); or

(C) the Governor submits a law to the Oversight Board under this subsection that is accompanied by a certification described in paragraph (2)(C) that the law is significantly inconsistent with the Fiscal Plan.

(4) Opportunity to Respond to Notification.—

(A) Failure to Provide Estimate or Certification.—After sending a notification to the Governor and the Legislature under paragraph (3)(A) or (3)(B) with respect to a law, the Oversight Board may direct the Governor to provide the missing estimate or certification (as the case may be), in accordance with such procedures as the Oversight Board may establish.

(B) Submission of Certification of Significant Inconsistency with Fiscal Plan and Budget.—In accordance with such procedures as the Oversight Board may establish, after sending a notification to the Governor and Legislature under subparagraph (C) of paragraph (3) that a law is significantly in-
consistent with the Fiscal Plan, the Oversight Board shall direct the territorial government to—

(i) correct the law to eliminate the inconsistency; or

(ii) provide an explanation for the inconsistency that the Oversight Board finds reasonable and appropriate.

(5) **Failure to Comply.**—If the territorial government fails to comply with a direction given by the Oversight Board under paragraph (4) with respect to a law, the Oversight Board may take such actions as it considers necessary, consistent with this Act, to ensure that the enactment or enforcement of the law will not adversely affect the territorial government’s compliance with the Fiscal Plan, including preventing the enforcement or application of the law.

(6) **Preliminary Review of Proposed Acts.**—At the request of the Legislature, the Oversight Board may conduct a preliminary review of proposed legislation before the Legislature to determine whether the legislation as proposed would be consistent with the applicable Fiscal Plan under this subtitle, except that any such preliminary review shall not be binding on the Oversight Board in re-
viewing any law subsequently submitted under this subsection.

(b) Effect of Approved Fiscal Plan on Contracts, Rules, and Regulations.—

(1) Transparency in Contracting.—The Oversight Board shall work with a covered territory’s office of the comptroller or any functionally equivalent entity to promote compliance with the applicable law of any covered territory that requires agencies and instrumentalities of the territorial government to maintain a registry of all contracts executed, including amendments thereto, and to remit a copy to the office of the comptroller for inclusion in a comprehensive database available to the public; with respect to Puerto Rico, the term “applicable law” refers to 2 L.P.R.A. 97.

(2) Authority to Review Certain Contracts.—The Oversight Board may establish policies to require prior Oversight Board approval of certain contracts, including leases, proposed to be executed by the territorial government, to ensure such proposed contracts are not inconsistent with the approved Fiscal Plan.

(3) Sense of Congress.—It is the sense of Congress that any policies established by the Over-

hr 4900 ih
sight Board pursuant to paragraph (2) should be de-

more effective, to increase the public’s faith in this
process, to make appropriate use of the Oversight
Board’s time and resources, and to avoid creating
any additional bureaucratic obstacles to efficient
contracting.

(4) Authority to review certain rules
and regulations.—The provisions of this para-
graph shall apply with respect to a rule or regulation
proposed to be issued by the Governor (or the head
of any department or agency of the territorial gov-

apply to a contract.

(5) Failure to comply.—If a contract, rule,
or regulation fails to comply with policies established
by the Oversight Board under this subsection, the
Oversight Board may take such actions as it con-
siders necessary to ensure that such contract, rule,
or regulation will not adversely affect the territorial
government’s compliance with the Fiscal Plan, in-
cluding by preventing the execution or enforcement
of the contract, rule, or regulation.

(c) Restrictions on reprogramming of
amounts in budget.—
(1) **Submissions of requests to oversight board.**—If the Governor submits a request to the Legislature for the reprogramming of any amounts provided in an approved Budget, the Governor shall submit such request to the Oversight Board, which shall analyze whether the proposed reprogramming is significantly inconsistent with the Budget, and submit its analysis to the Legislature as soon as practicable after receiving the request.

(2) **No action permitted until analysis received.**—The Legislature may not adopt a reprogramming, and no officer or employee of the territorial government may carry out any reprogramming, until the Oversight Board has provided the Legislature with an analysis that certifies such reprogramming will not be significantly inconsistent with the Fiscal Plan and Budget.

(d) **Implementation of Federal Programs.**—In taking actions under this Act, the Oversight Board shall not exercise applicable authorities to impede territorial actions taken to—

(B) the date of issuance or incurrence precedes the date of enactment of this Act.

(2) LIABILITY CLAIM.—The term “Liability Claim” means, as it relates to a Liability—

(1) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the Government of Puerto Rico that was or could have been commenced before the enactment of this Act, or to recover a Liability Claim against the Government of Puerto Rico that arose before the enactment of this Act;

that arose before the enactment of this Act; and

(7) the setoff of any debt owing to the Govern-

Government of Puerto Rico.

(c) STAY NOT OPERABLE.—The establishment of an
Oversight Board for the Commonwealth of Puerto Rico
in accordance with section 101 does not operate as a stay
solely under subsection (b)(1) of this section, of the con-

(g) Relief To Prevent Irreparable Damage.—Upon request of a party in interest, the court, with or without a hearing, shall grant such relief from the stay provided under subsection (b) as is necessary to prevent irreparable damage to the interest of an entity in property, if such interest will suffer such damage before there is

   (2) the Oversight Board, including the directors and officers of and employees acting in their official capacity on behalf of the Oversight Board.

(j) **NO DEFAULT UNDER EXISTING CONTRACTS.**—

   (1) Notwithstanding any contractual provision or applicable law to the contrary and so long as a stay under this section is in effect, the holder of a Liability Claim or any other claim (as such term is defined in section 101 of title 11, United States Code) may not exercise or continue to exercise any remedy under a contract or applicable law—

   (A) that is conditioned upon the financial condition of, or the commencement of a restruc-
turing, insolvency, bankruptcy, or other pro-
ceeding (or a similar or analogous process) by,
the Government of Puerto Rico, including a de-
default or an event of default thereunder; or

(B) with respect to Liability Claims—

(i) for the non-payment of principal or
interest; or

(ii) for the breach of any condition or
covenant.

(2) The term “remedy” as used in paragraph
(1) shall be interpreted broadly, and shall include
any right existing in law or contract, and any right
to—

(A) setoff;

(B) apply or appropriate funds;

(C) seek the appointment of a custodian;

(D) seek to raise rates; or

(E) exercise control over property of the
Government of Puerto Rico.

(3) Notwithstanding any contractual provision
or applicable law to the contrary and so long as a
stay under this section is in effect, a contract to
which the Government of Puerto Rico is a party may
not be terminated or modified, and any right or obli-
gation under such contract may not be terminated
or modified, solely because of a provision in such
contract is conditioned on—

(A) the insolvency or financial condition of
the Government of Puerto Rico at any time
prior to the effectiveness of the stay under this
section;

(B) the adoption of a resolution or estab-
ishment of an Oversight Board pursuant to
section 101 of this Act; or

to the contrary and so long as a stay under this sec-
tion is in effect, a counterparty to a contract with
the Government of Puerto Rico for the provision of
goods and services shall, unless the Government of
Puerto Rico advises to the contrary in writing, con-
tinue to perform all obligations under, and comply
with the terms of, such contract so long as a stay
under this section is in effect, provided that the Gov-
ernment of Puerto Rico is not in default under such
contract other than as a result of a condition speci-
fied in paragraph (3).
(k) Effect.—This section does not discharge an obligation of the Government of Puerto Rico or release, invalidate, or impair any security interest or lien securing such obligation. This section does not impair or affect the implementation of any restructuring support agreement executed by the Government of Puerto Rico to be implemented pursuant to Puerto Rico law specifically enacted for that purpose prior to the enactment of this Act or the obligation of the Government of Puerto Rico to proceed in good faith as set forth in any such agreement.

(l) Findings.—Congress finds the following:

1. A combination of severe economic decline, accumulated operating deficits, lack of financial transparency, management inefficiencies, and excessive borrowing has created a fiscal emergency in Puerto Rico.

2. As a result of its fiscal emergency, the Government of Puerto Rico has been unable to provide its citizens with effective services.

3. The current fiscal emergency has also affected the long-term economic stability of Puerto Rico by contributing to the accelerated outmigration of residents and businesses.

4. A comprehensive approach to fiscal, management, and structural problems and adjustments...
that exempts no part of the Government of Puerto Rico is necessary, involving independent oversight and a Federal statutory authority for the Government of Puerto Rico to restructure debts in a fair and orderly process.

(5) Additionally, an immediate—but temporary—stay on litigation is essential to stabilize the region for the purposes of resolving this territorial crisis.

(A) The stay advances the best interests common to all stakeholders, including but not limited to a functioning independent Oversight Board created pursuant to this Act to determine whether to appear or intervene on behalf of the Government of Puerto Rico in any litigation that may have been commenced prior to the effectiveness or upon expiration of the stay.

(B) The stay is limited in nature and narrowly tailored to achieve the purposes of this Act, including to ensure all creditors have a fair opportunity to consensually renegotiate terms of repayment based on accurate financial information that is reviewed by an independent authority or, at a minimum, receive a recovery from the Government of Puerto Rico equal to their
best possible outcome absent the provisions of this Act.

(6) Finally, the ability of the Government of Puerto Rico to obtain funds from capital markets in the future will be severely diminished without congressional action to restore its financial accountability and stability.

(m) PURPOSES.—The purposes of this Act are to—

(1) provide the Government of Puerto Rico with the resources and the tools it needs to address an immediate existing and imminent crisis;

(2) allow the Government of Puerto Rico a limited period of time during which it can focus its resources on negotiating a voluntary resolution with its creditors instead of defending numerous, costly creditor lawsuits;

(3) provide an oversight mechanism to assist the Government of Puerto Rico in reforming its fiscal governance and support the implementation of potential debt restructuring;

(4) make available a Federal restructuring authority, if necessary, to allow for an orderly adjustment of all of the Government of Puerto Rico’s liabilities; and
(5) benefit the lives of 3.5 million American citizens living in Puerto Rico by encouraging the Government of Puerto Rico to resolve its long-standing fiscal governance issues and return to economic growth.
